BUSINESS DEVELOPMENT FUNDING PRODUCTS

√ Equity Funding

We work with a number of equity based funders / investors specialising in Hi Tech, Manufacturing, Energy, Printing, Engineering, Recruitment, Construction and the Hotels & Leisure Sectors providing funding from £100,000 to £ 20,000,000.

√ Refinance

We are specialists at refinance and can access the whole market, allowing us to maximise the funding available against your assets, whilst minimising the costs and onerous terms.

√ Stock Refinance

Use existing stock as security to raise additional development funding to grow your business

√ Re Mortgage your property

Upgrade your existing mortgage and raise additional working capital to develop your business.

√ Small Firms Loan Guarantee Scheme

We help construct a viable application to your bank or introduce a new bank with the experience and commercial approach to back your business.

√ Grants

We can assess what grants may be available to your business.
